10 Assessment of the security

Notes – Assessment of the security is how we will determine if the property is suitable security to secure the loan. There are a number of approaches we may utilise for this assessment, including: Mortgage valuation, Automated Valuation Model, Desktop valuation – these are all simply for us to decide if the property is suitable to secure the loan and if it is worth the amount we are lending to you. It is important to understand that these are very limited and will not potentially raise any hidden problems. For purchase applications, we will normally give you a copy of our assessment. This assessment does not cover everything about the property's condition. There could be faults that would only be found on a more detailed inspection. The valuer may notice something wrong but may decide not to put it in the report. This is because the report will only contain information which is important in deciding whether the value of the property will cover the amount we are lending you. Please do not think the property has no faults just because there are none in the report. If any faults are mentioned, these may not be the only ones in the property. Homebuyer Survey and Valuation – a Homebuyer Survey and Valuation is a survey on the condition of the property and covers all parts of the property which are easily accessible. The surveyor will be able to give you a general opinion of the property. It will detail any future problems that can be foreseen and will tell you if any areas need further investigation. If you ask your own surveyor to do a Homebuyer Survey and Valuation or detailed building survey, rather than arranging this through us, an additional mortgage valuation by a valuer approved by us may be necessary. Remortgages only - we will not always ask a valuer to physically inspect your property. This means we will not normally give you a copy of any report we use to help us decide whether or not to lend to you. **a** Valuation you want (house purchase only): Mortgage valuation Homebuyer Survey and Valuation **b** Name and address of estate agent selling the property: Telephone number: OR Access arrangement if not through the selling agent: c Name and address of person to contact to arrange getting into the property: Telephone number: Evening **Daytime** 11 Solicitor or licensed conveyancer Please give the name and address of the solicitor or licensed conveyancer who will be acting for you. 15 Declaration for applicants – this declaration must be signed by all applicants

Important Information

I declare that I have been a permanent resident in the United Kingdom for at least 2 years.

This is our standard mortgage application upon which we intend to rely. For your own benefit and protection you should read these terms carefully before signing them. If you do not understand any point please ask for further information.

a.I apply for an advance on a mortgage and believe the statements in this application are true. Any agreement for a loan which may be made by Nottingham Building Society (later called The Nottingham) will be based on those statements.

b. Any fee payable on application is non-refundable (unless specified in the ESIS) and cannot proceed until the fee is received by The Nottingham.

c. I have read the notes in section 11.

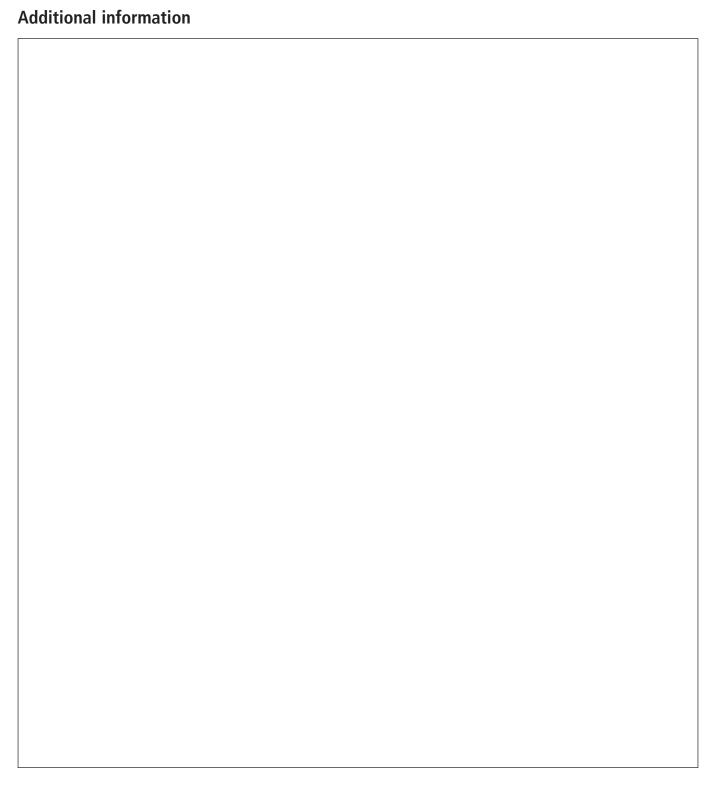

Any report or valuation on the property (whether carried out by a valuer or any other method) is only meant to help The Nottingham decide what advance (if any) may be made on the security. Neither The Nottingham nor its valuer accepts any responsibility for the value or condition of the property because of this report and valuation. (This applies even if the valuer makes a mistake in the report and valuation, or forgets to put something important in the report.)

The opinion of the valuer is deemed final and therefore our policy is not to offer an appeals process with regard to the property value or rental income

d.If my application does not proceed to completion, my customer data may be held by The Nottingham and be used for statistical analysis.

- e. My solicitor or conveyancer may give The Nottingham all the information they need to help The Nottingham decide whether to lend. I give up any right to claim confidentiality between solicitor and client or legal privilege over this information.
- f. The Nottingham may give information to a third party so they can give me help and advice if I fall behind with my mortgage payments.
- g.I authorise The Nottingham or any solicitor or conveyancer acting on behalf of The Nottingham in connection with the proposed remortgage of my property to obtain the title deeds to the property and obtain a repayment figure from my current lender(s).
- h.The Nottingham may give information about this loan to insurance companies if the property is repossessed. The information I supply may be shared with insurance companies for the purpose of insurance administration by the society, or its agents.
- i. The Nottingham has the right to show this form and any of the references to any insurance company for the higher lending charge if this is needed for the loan for which I am applying.
- I authorise The Nottingham to pass information relating to my mortgage application to any solicitor or conveyancer acting on its hehalf.
- k. I confirm I have received a European Standard Information Sheet (ESIS) for the mortgage I am applying for.
- I. For a full guide to the use of your personal information by ourselves and at Credit Reference and Fraud Prevention Agencies please refer to our Privacy Policy which can be found at www.thenottingham.com.
