

## Home Moving Checklist

Moving home can be very stressful but a good list is a sure fire way to help you find your feet – and keep things on track for a successful move.

Task	Notes	Completed (tick)
<b>6 weeks before you move into your new home</b>		
Confirm the date of completion (keys handed over).		
Decide upon a furniture move option (removal firm or hiring a van for example) and book.		
Look into storage solutions (if this is required) while you are getting your new home up to scratch.		
If you are in rented accommodation, speak to your landlord about giving notice.		
If you need new furniture (especially sofas) order now.		
<b>4 weeks before you move into your new home</b>		
Start sorting through your belongings, disregarding any used worthless items, and selling any unwanted quality items.		
Ensure you have home insurance in place effective from the date you're moving into your new home.		
Notify the utility companies that you will be leaving in a months' time.		
<b>2 weeks before you move into your new home</b>		
Start de-registering from local services (such as doctors and dentists), if you are moving to a completely new area.		
If you need babysitters whilst you are packing up the property and moving then speak to your friends/families now to arrange.
