

Get your pens out and give Sammy Fox a colourful new look.
Remember to make him bright, funky and fun!

When you have finished, either scan your colouring in or take a photograph and ask a grown up to send it to us on Facebook 'The Nottingham Building Society' or Twitter @nottinghams and we will choose our favourite each week! Don't forget to let us know your first name too and your colouring, name and age could take pride of place on our social media channels for a week.
