MATLOCK HOSPITALS LEAGUE OF FRIENDS TO RECEIVE £600 FROM THE NOTTINGHAM

Nottingham Building Society's Matlock team is donating £600 to help bring a smile to faces of children visiting a nearby urgent treatment centre.

A recent in-branch static cycle fundraising event and local author book signing session made £200 for Matlock Hospitals League of Friends to buy toys and books for young people attending Whitworth Hospital in Darley Dale.

The Nottingham has added another £400 to the total after the Matlock branch team nominated the charity as part of a Christmas initiative seeing the building society make donations to deserving local causes across the country via its Samuel Fox Foundation.

Funds from the foundation, which is named after the building society's founder, go towards supporting projects, organisations and causes that help communities thrive.

Branch Manager Shannon Goldsmith, who sportingly donned a '118 man' outfit as part of the fundraising efforts, said: "I'm really proud to work for a company that actively encourages and empowers its teams to support organisations that matter most in our community.

"We're over-the-moon to be able to make such a significant contribution to Matlock Hospitals League of Friends – they're a fantastic charity and we are happy our donation will help make life a little better for many children who need our support this Christmas."
